WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Stewartstown, in the County of Coos, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the town hall in said Town of Stewartstown on Tuesday the 13th day of March next at ten o'clock in the forenoon, to act upon the following subjects:

ARTICLE:

1. To bring in your ballots for the election of the following Town Officers:
 - (a) Selectmen for the three year term ensuing
 - (b) Selectmen for the two year term ensuing
 - (c) Town clerk
 - (d) Town Treasurer
 - (e) Two Road Agents
 - (f) Two or more auditors
 - (g) Collector of Diamond Pond Rents
 - (h) One or more sextons*
 - (i) Overseer of Public Welfare
 - (j) Trustee of Trust Funds
 - (k) One Library Trustee for the three year term ensuing
 - (l) One Supervisor of Checklist for the six year term ensuing
 - (m) One Moderator for the two year term ensuing
2. To see if the Town will vote to give the Selectmen authority to appoint all necessary Town Officers not listed under Article No.1.
3. To see if the Town will vote to accept State Aid.
4. To see if the Town will vote to accept and spend any Federal grants recieved.
5. To see if the Town will vote to accept the Budget made up by the Budget Committee and to raise money for the same. If not, to see what sum of money the Town will vote to raise to defray Town Charges for the ensuing year as follows:
 - (a) Town Officers Salaries
 - (b) Town Officers Expenses
 - (c) Election and Registration Expenses
 - (d) Town Hall, Office, and other bldgs.
 - (e) Damages and Legal Expenses
 - (f) Health Dept.
 - (g) Sanitary Landfill Rental

- (h) Highway Safety Program
- (i) Vital Statistics
- (j) Interest on Temporary Loans
- (k) General Expenses of Highway Dept.
- (l) Patriotic Purposes
- (m) Park Maintenance
- (n) Insurance

6. To raise such sums of money as may be necessary for the support of Public Welfare.
7. To raise such sums of money as may be necessary for the support of Libraries.
8. To see if the Town will vote to raise two thousand five hundred dollars (\$2,500.00) for the care of cemeteries.
9. To see if the Town will vote to raise seven thousand, nine hundred dollars (\$ 7,900.00) for street lighting.
10. To see what sum of money the Town will vote to raise for
 - (a) Police Dept.
 - (b) Fire Dept.
11. To see what sum of money the Town will vote to raise for Summer Roads.
12. To see what sum of money the Town will vote to raise for Winter Roads.
13. To see if the Town will vote to raise two thousand, eight hundred and fifty dollars (\$2,850.00) for the Winter Maintenance of Diamond Pond Road.
14. To see if the Town will vote to raise forty thousand, four hundred thirty-two dollars and thirty one cents (\$40,432.31) for highway and street reconstruction or construction and authorize the Selectmen to accept and expend Block Grant Fund monies for this purpose:
15. To see if the Town will vote to raise Nine Hundred and Ninty dollars (\$990.00) for Emergency Radio Communications.
16. To see if the Town will vote to raise eight thousand, seven hundred ninety nine dollars (\$8,799.00) for payment of principle and twenty four thousand, and forty one dollars (\$24,041.00) for payment of interest on the Sewer Bonds.
17. To see if the Town will vote to raise six thousand, seven hundred fifty dollars (\$6,750.00) for payment of Stew-

artstown's share of Canaans Sewer Bonds as required in the Inter-Municipal Agreement between Stewartstown and Canaan.

18. To see whether the voters will instruct the Selectmen to change the time of the annual town meeting, beginning with the town meeting of March 1985, by calling said meeting under RSA 39:2 to begin at 7:00 o'clock in the evening, instead of holding town meetings during the day, and to be voted by ballot.
19. To see if the Town will vote to establish a Capital Reserve Fund for the purpose of constructing or reconstructing present and future Town sewer systems and treatment plants, pursuant to RSA 35:1 as amended.
20. If the above article is voted upon in the affirmative, to see if the Town will vote to transfer all unencumbered collection system and treatment plant construction funds (approximately \$15,000.00) to the Capital Reserve Fund.
21. If the Above articles are voted upon in the affirmative, to see if the Town will vote to appropriate, from the Capital Reserve Fund, \$9,000.00 for the purpose of constructing a retaining wall at the Canaan/Stewartstown sewerage treatment plant. The above amount represents Stewartstown share of the cost of same.
22. To see if the Town will vote to establish a Planning Board pursuant to Revised Statutes Annotated Chapter 673.
23. If the foregoing Article is adopted, to see whether to appoint the members of said Board for terms as per R.S.A. 673:5(II) or to elect said members.
24. If it is voted to elect Planning Board members under the foregoing Article, to elect one member for one year, one member for two years, and two members for three years each.
25. To see if the Town will vote to raise seven hundred and one dollars (\$701.00) as the Town's share for operation of the North Country Council for one year.
26. To determine if the Town will vote to raise and appropriate the sum of nine hundred fifty dollars (\$950.00) for the UPPER CONNECTIVUT VALLEY HOSPITAL to help defray the costs of maintaining standby alert personnel to cover medical emergencies.
27. To see if the Town will vote to raise and appropriate the sum of nine hundred fifty dollars (\$950.00) for the maintenance of Ambulance District A-1 services.

28. To see if the town will vote to raise seven hundred fifty dollars (\$750.00) as a contribution for the support and services of the Upper Connecticut Valley Mental Health Association, Inc.
29. To see if the Town will vote to raise two hundred fifty dollars (\$250.00) as a contribution for the support and services of the Vershire center.
30. To see if the Town will vote to raise one thousand seven hundred dollars (\$1700.00) for the operating expenses and for matching funds for the Northern Coos Community Health Association.
31. To see if the Town will vote to elect the members at large of the Budget Committee.
32. To see if the Town will vote to accept year round maintenance of the new road known as Fort Hill Road.
33. To see if the Town will vote to raise the sum of five hundred dollars (\$500.00) for the support and services of the Community Action Program. This figure is not included in the Town Budget.
34. To see if the Town will vote to appropriate and authorize the withdrawal from the Revenue Sharing Fund for use as setoffs against budget appropriations for the following specific purposes and in amounts indicated herewith or take any action hereon:

Appropriations	Amount
Town Officers Expenses	\$ 7000.00
Election and Registrations Expenses	1000.00
Cemeteries	2500.00
General Assistance Town Poor	<u>1500.00</u>
 Total	 \$12,000.00
35. To see if the Town will vote to authorize the Selectmen to incur debts for Temporary Loans in anticipation of taxes of the municipal year and pay out of the tax money when received.
36. To see if the Town will vote to adopt the Budget for the operating expenses of the Sewer Dept. as made up by the Budget Committee. Revenues to cover operating expenses shall be raised by sewer taxes assessed to the users of the public sewers.
37. To transact any other business that may legally be brought before this meeting.

Given under our hands and seals this 22nd day of February
in the year of our lord nineteen hundred and eighty four.

THOMAS M. CULLIVAN, Chairman
F. ROBERT LYNCH

February 22, 1984

REPORT OF TOWN FOREST FIRE WARDENS AND STATE FOREST RANGER

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to a safe level between 2:00 p.m. and 5:00 p.m. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

NORTH COUNTRY COUNCIL, INC. TOWN REPORT

North Country Council is the regional planning and economic development agency for communities in the northern part of the State. Your town is one of the forty-three member towns that utilize Council services in community and land use planning, economic development, solid waste, transportation, recreation, and municipal services. The Board of Directors is made up of representatives from every member town.

In Stewartstown, we met with the Selectmen to discuss the Town's need for a Master Plan, the role and responsibility of a planning board, and other land use issues. We have spoken on behalf of the Town with the State Fish and Game Department concerning public water access.

In regionwide economic development, the Council has devoted time to improving utilities in and access to industrial parks, in lobbying for continued maintenance of regional transportation facilities including rail, highways and airports, and in increased business marketing efforts. Through grant assistance, coordination with State and federal agencies and data, the staff has assisted local development organizations in four towns which serve as area employment centers.

The Council has provided information and guidance to several towns on the Community Development Block Grant, Urban Development Action Grant, and Farmers Home Administration Programs and prepared several grant applications. The Council is a partner in the Business Assistance to Northern New Hampshire Program providing demographic data to individuals, businesses, and economic consultants interested in the North Country. This summer, we prepared a Plymouth Area Economic Base Study, to be followed by similar reports on other North Country sub-regions.

The Council participated in research and marketing efforts to increase the use of the Concord-to-Lincoln rail line and to maintain a schedule for rehabilitation of other regional railroad lines.

Other regional activities of importance include the coordination and establishment of eight solid waste districts. Council staff has assisted towns in developing work plans to assess their waste disposal needs and current methods and develop a 10-year plan. The Council has also surveyed local disposal practices for septage, estimated future needs, and will be recommending alternative disposal arrangements.

In community planning, we have assisted many towns with adopting or amending zoning ordinances, subdivision regulations, site plan review and other local regulations. With the reorganization and slight revision of the state planning and zoning laws, we've been busy trying to keep planning boards informed of the changes and new requirements. A workshop was held in the fall and more are planned for the spring. We also met with over 20 towns to help them review regulations relating to subdivision and building in the floodplain to insure compliance with federal regulations. The staff successfully assisted communities in applying for funds for recreation and library facilities.

A new NCC service this past year has been computerized tax billing. We provided this service under contract to four towns. We anticipate expanded municipal and in-house use of the computer.

These are some of the highlights of the past year. We welcome your town's active participation on the Board and use of the Council's services and look forward to working on your behalf in 1984.

STEWARTSTOWN SCHOOL DISTRICT

W A R R A N T

The State of New Hampshire

To the Inhabitants of the School District in the Town of Stewartstown qualified to vote in District Affairs:

You are hereby notified to meet at the Hollow School in said District on Monday, the 12th day of March, 1984, at 7:30 o'clock in the evening to act upon the following subjects:

1. To determine the salaries of the Officers and fix the compensation of any Agents of the District.
2. To hear the reports of Agents, Auditors, Committees or Officers chosen and pass any vote relating thereto.
3. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States.
4. To see if the District will vote to establish a Capital Reserve Fund for the purpose of providing a replacement or major repair for the District owned school buses.
5. In the even of a favorable vote on Article 4, to see if the District will vote to raise and appropriate the sum of \$3,600.00 to pay into the Capital Reserve Fund.
6. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of the salaries of the School District Officials and Agents, and for the payment of the statutory obligations of the District.
7. To transact any other business that may legally come before this meeting.

Given under our hands at said Stewartstown this 16th day of February, 1984.

PROCEEDINGS OF SCHOOL DISTRICT MEETING

MARCH 8, 1983

The School District of Stewartstown
County of Coos
State of New Hampshire

=====

The 1983 Annual School District Meeting of Stewartstown was called to order at 10:00 A.M. by Town Moderator, Theodore Pariseau. The polls were opened at this time. The School business meeting was called to order at 2:00 P.M. by the appointed School Moderator, Dwight Dwinell, with an attendance of approximately 60 voters. The polls were declared closed at 6:00 P.M.

ARTICLE 1. The results of the election are as follows:

MODERATOR	Dwight Dwinell (write-ins)	19
TREASURER	Evelyn B. Hunt	208
CLERK	Evelyn B. Hunt	208
SCHOOL BOARD		
3-year term	Landon Placey	116
	Carol Ann Alward	114
SCHOOL BOARD		
2-year term	Emily Haynes (write-ins)	110
	Darwin Brooks, Jr.	94
AUDITORS	Donna Allen (write-ins)	16
	Donna Caron (write-ins)	19

ARTICLE 2. A motion was made by Emily Haynes, seconded by Terrence Pierce, that the salaries of the Officers and Agents of the District be paid as presented in the Annual School Report. Voted yes.

ARTICLE 3. Landon Placey made the motion that the reports of Agents, Auditors, Committees and Officers be accepted as printed in the School Report. The motion was seconded by Larry Ladd. Voted yes.

ARTICLE 4. A motion was made by Larry Ladd, seconded by Kevin Haynes, that the School Board be authorized to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or the United States. Voted yes.

ARTICLE 5. Landon Placey made the motion that the School District purchase a school bus and to authorize the School Board to make the necessary arrangements to purchase the same and to determine the route or routes to be serviced. The motion was seconded by Kevin Haynes and Larry Ladd.

A lengthy discussion followed. The question of school bus mileage, routes, time of student pick-ups and arrival at school, bus seating capacity, etc., was the subject of a hot debate led by Burleigh Placey supported by Norman Brooks, Lynne Rancloes, Darwin Brooks Jr., Carol Ann Alward and Celon Hodge. Thomas Hurley inquired about the cost of the bus. Stephen Dehl, Superintendent, and Landon Placey explained each detail repeatedly. Terrence Pierce and Hasen Burns reminded the voters that the School Board members were elected by the townspeople and that their ideas should be supported and reasonably upheld by the voters. This comment drew a round of applause from the majority in attendance. A motion by Freemont Harriman, seconded by Guy Placey, called for an end to the discussion. The vote was affirmative. A secret paper ballot was requested for the motion on Article 5. Result: 37 yes, 18 no, in favor of buying a new school bus.

ARTICLE 6. Terrence Pierce made the motion that the District raise and appropriate the sum of \$349,959 for the support of schools, for the payment of the statutory obligations of the district and for the payment of salaries of School District Officials and Agents, apply against such appropriations estimated revenues of \$90,078 from federal, state and local sources, the balance of \$259,881 to be raised by taxes. The motion was seconded by Freemont Harriman. Vote yes.

ARTICLE 7. Motions were made by Thomas Hurley and Burleigh Placey and seconded by Virginia Hurley and Darwin Brooks to have Annual School District Meeting on the night before Town Meeting at 7:30 P.M. This motion was voted by secret paper ballot. Result: 26 yes, 17 no. Motion carried.

Burleigh Placey suggested closing the Hollow School. Stephen Dehl explained the disadvantages of closing the school and the government regulations entailed in reopening it at a later date should it become necessary.

A motion was made by Kevin Haynes to adjourn the meeting. The motion was seconded by Emily Haynes. It was voted yes to adjourn the meeting at 4:00 P.M.

Respectfully submitted,

EVELYN B. HUNT, School Clerk

STEWARTSTOWN SCHOOL DISTRICT

SCHOOL BUILDING AND EDUCATIONAL PROGRAM REPORT

The Stewartstown School District presently maintains two schools, both of which are presently certified as "approved" Category III elementary schools by the State Department of Education. Category III approved elementary schools are schools that meet between 27-31 of the 40 minimum required standards for all New Hampshire public elementary schools as established by the State Board of Education in 1972.

In addition to the approved basic education programs conducted in both schools, the Stewartstown School District also has an on-going Title I program and a Special Education program. The Special Education program is relatively new in the District with a part-time teacher providing that service during the 1983-84 school year. Because of an increasing number of students identified as handicapped, the program will incorporate a full time Special Education teacher for the 1984-85 school year. Support services for handicapped students that are being provided in addition to the Special Education program consist of Speech Therapy, Diagnostic-Prescriptive Evaluation Services, Psychological Counseling and Testing Services, Pre-School Diagnostic and Evaluation Services, and Vocational Assessment Evaluation Services.

It is only because the Stewartstown School District is able to provide the Special Education program and support services locally in its schools that it has not had to tuition out at great expense its handicapped students in need of services. Presently, the District has only 2 handicapped students that it is tuitioning out of District for services it cannot provide locally. The District is also fortunate that it has a school that is handicapped accessible for any physically handicapped student that is eligible to attend public elementary school. (Hollow School) Federal and State Laws mandate that all public schools are or shall be made accessible for physically handicapped students eligible to attend school. The availability of the Hollow School means that the District would not be required to make the West Side School accessible through an elevator for all three floors and also outside ramps, all of which require costly capital expenditures.

The last few years have seen a declining enrollment in the public schools. Enrollments at the West Side School have averaged between 45-50 students and the Hollow School 20-25 students. It would appear at first glance that the District could save a considerable sum by closing the

Hollow School and transporting those pupils to the West Side School. Physically the West Side School could accommodate additional pupils and operate a double grade four room facility. However, this would eliminate any space in that building now being used for the Title I program, the Special Education program, the Support Services to the Special Education program and the Health and School Nurse program. In addition, were the District to close any of its schools now, should the need to re-open school arise in the future, such a school would have to meet all the minimum standards prescribed by the State, both in land area, program, building, and services (art, music, physical education, guidance, library, etc...). Presently all existing schools not meeting the total minimum requirements for public elementary schools as established in 1972 have been permitted to operate as approved schools under the various categories. It is only due to the arrangement of the present school facilities that the District has been able to maintain approval of its schools, programs and services.

Presently, the Stewartstown School District is servicing 10 students classified and coded as handicapped. It is anticipated that this number will increase to 12-14 students in the 1984-85 school year. Tuition costs for handicapped students placed in schools in the local north country area range from \$2,700 to \$5,200 depending on the handicapped program and support services required. This does not include the cost of transportation which must be furnished either for part time or full time students dependent on their handicap and Special Education program. If the District were to tuition its handicapped students out of District, it is anticipated that the cost would vary between \$35,000 and \$40,000 just for the 1984-85 school year. This greatly outweighs any one time cost savings that may be realized from the closing of the Hollow School.

STEPHEN E. DEHL
Superintendent of Schools

SUPERINTENDENT'S REPORT

A COMMITMENT TO EXCELLENCE

On April 26, 1983, the National Commission on Excellence in Education submitted its final report to U. S. Secretary of Education, Terrell H. Bell. The report, now commonly referred to as the "Nation At Risk Report", has rekindled public interest and concern on the quality and status of education in our Nation. The Commission's report gave particular attention to an assessment of the quality of teaching and learning in our Nation's public and private schools, colleges, and universities, and also, to defining problems which must be faced and overcome if we are successfully to pursue the course of excellence in education.

Reaction to the report has been varied and wide spread. In our state alone, three formal studies are presently being conducted in response to the sweeping indictment made by the Commission. Areas being studied are the curriculum in high schools, graduation requirements, the length of the school day, the school year, and the time on task spent on various subjects both in the classroom and on homework assignments.

Although it is anticipated that New Hampshire schools will fare fairly well in terms of the Commission's findings, (recent public reports indicate that New Hampshire ranks top in the Nation in regard to Scholastic Aptitude Tests taken by seniors) there is consensus by all concerned with education that there is a need for a recommitment to excellence; from the parent, the student, the school, the community, and ultimately the nation.

Because of their timely importance and relevance the following excerpts from the Commission's report are presented:

"We define 'excellence' to mean several related things. At the level of the individual learner, it means performing on the boundary of individual ability in ways that test and push back personal limits, in school and in the workplace. Excellence characterizes a school or college that sets high expectations and goals for all learners, then tries in every way possible to help students reach them. Excellence characterizes a society that has adopted these policies, for it will then be prepared through the education and skill of

its people to respond to the challenges of a rapidly changing world. Our Nation's people and its schools and colleges must be committed to achieving excellence in all these senses."

"The task of assuring the success of our recommendations does not fall to the schools and colleges alone. Obviously, faculty members and administrators along with policymakers and the mass media, will play a crucial role in the reform of the educational system. But even more important is the role of parents and students, and to them we speak directly. TO PARENTS: You know that you cannot launch your children into today's world unless they are of strong character and well-educated in the use of language, science, and mathematics. They must possess a deep respect for intelligence, achievement, and learning, and the skills needed to use them; for setting goals; and for disciplined work. That respect must be accompanied by an intolerance for the shoddy and second-rate masquerading as good enough.

You have the right to demand for your children the best our schools and colleges can provide. Your vigilance and your refusal to be satisfied with less than the best are the imperative first step. But your right to a proper education for your children carries a double responsibility. As surely as you are your child's first and most influential teacher, your child's ideas about education and its significance begin with you. You must be a living example of what you expect your children to honor and emulate. Moreover you bear a responsibility to participate actively in your child's education. You should encourage more diligent study and discourage satisfaction with mediocrity and the attitude that says 'let it slide'; monitor your child's study; encourage good study habits; encourage your child to take more demanding rather than less demanding courses; nurture your child's curiosity, creativity, and confidence; and be an active participant in the work of the schools. Finally help your children understand that excellence in education cannot be achieved without intellectual and moral integrity coupled with hard work and commitment. Children will look to their parents and teachers as models of such virtues.

TO STUDENTS: You forfeit your chance for life at its fullest when you withhold your best effort in learning, when you give only the minimum to learning, you receive only the minimum in return. Even with your parents' best example and your teachers' best effort, in the end it is your work that determines how much and how well you learn. When you work to your full capacity, you can hope to attain the knowledge and skills that will enable you to create your future and control your destiny. If you do not, you will have your future thrust upon you by others. Take hold of your life, apply your gifts and talents, work with dedication and self-discipline. Have high expectations for yourself and convert every challenge into an opportunity."

Copies of the entire report are available to any interested person and may be obtained in the Office of the Superintendent of Schools.

I extend my thanks and appreciation to the members of the school boards, principals, and faculty. It is through their dedication, hard work and commitment that our schools strive for excellence. With support from you, the voter and taxpayer, our local school districts will meet the challenge in providing sound educational programs.

Respectfully submitted,

STEPHEN E. DEHL
Superintendent of Schools

SCHOOL HEALTH REPORT

School nursing originated in England in the 1890's. It took root in the United States in the early 1900's and was well established by the 1920's. Today, the school nurse is the staff member responsible for protecting and promoting the health of all students. The goal of the school nurse is to maximize each child's potential to learn and to grow by providing the best possible health care. Our school program this year attempted to meet this goal through the use of screening programs, physical examinations, assistance from state and community agencies, immunization clinics, dental programs and parental support.

Dr. Marjorie Parsons again provided professional medical advice as our school physician and Mary Sasser, family nurse practitioner, assisted her.

NCES was helpful in providing our district with equipment for impedance screening. Robin Henne, hearing consultant, tested the children for middle ear dysfunction.

Also new this year was a Developmental Screening Clinic made available through NCES for children four and five years old. The children were tested for fine and gross motor skills, concepts and communication.

Our school health program was expanded to include a growth and development class for girls in grades five, six, seven and eight. The class included the use of materials from the Life Cycle Library of Kimberly-Clark Corporation. Booklets were distributed and a filmstrip was shown.

The American Cancer Society sponsored their Great American Smoke Out in November. The third grade students enjoyed sending helium balloons into the air. They received anti-smoking buttons and learned about the risks of smoking. American Cancer Society materials were also used in presenting health awareness sessions to grades one through eight in selected schools.

The school nurses and the Staff Development Committee organized a Nutrition Workshop in May. It was presented by the New England Dairy and Food Council for the purpose of developing nutrition programs in the classrooms, grades K-12. Teaching kits were provided to the teachers who attended the workshop.

Our district also began several much needed drug and alcohol
